

SMC Additional Services

Smith Maintenance Company is a full service restoration company available for same day service, 7 days a week, any time of day. Smith Maintenance Company provides a quality cleaning job at affordable prices.

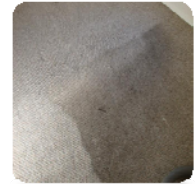

SAME DAY SERVICE

We offer same day service, 24 hours a day, 7 days a week. This includes regular cleaning and emergency water and fire damage restoration. Our cleaning team is ready and able to handle those on-the-spot same day jobs.

CARPET CLEANING

Smith Maintenance Company is equipped to clean any type of carpet. The recommended and most effective process is deep steam cleaning. A dry cleaning process is also available. We achieve excellent results with the application of a pre-spray on heavy traffic lanes and stains.

TILE, GROUT AND FLOOR CLEANING

Smith Maintenance Company is ready to clean any type of hard floor surface. We are experienced in stripping, cleaning, buffing, and waxing on tile or linoleum floors.

PAINTING

Smith Maintenance Company is skilled in providing a professional look to all painting projects. We can handle residential and commercial interior requirement regardless of size or complexity. Additionally, our staff is trained in caulking, painting and staining exteriors. Deck staining, as well as power washing, achieves excellent results in restoring wood's natural beauty.

WATER AND FIRE DAMAGE RESTORATION

Smith Maintenance Company is equipped for any size emergency, 24 hours a day. Fire damage restoration includes thoroughly vacuuming all visible fire & soot damage. Flood damage restoration starts with the extraction of water followed by carpet pad removal.

We then apply a product for the prevention of mold and mildew. Air blowers and dehumidifiers are installed to complete the drying process of walls, ceilings, floors and carpet. Insurance billing is available.

SMC Additional Services

75F-BHDF-CF 7@95B-B;

Smith Maintenance Company will come to your residence and clean your car, truck, van, or boat. We use a heavy duty pre-spray on dirt and stains. We can remove ground-in dirt from carpet and clean all interior surfaces. Deodorizing will eliminate smoke and pet odors.

UPHOLSTERY CLEANING

Smith Maintenance Company is able to clean any type of upholstery, any type of fabric. A heavy duty pre-spray is applied to heavily soiled areas and stains. We will use either steam or dry cleaning; whichever is appropriate for the fabric. Also available is a Deodorizer and Scotch guard Protection plan
